## Up-To-Date Lighting Fixtures

**I**N THIS catalog we show modern lighting fixtures in sets as well as individual fixtures for various uses. Each fixture is made by skilled workmen, of good material and properly finished.

### GLASSWARE

The glassware is the best obtainable. The color of the glass, the configuration of bowls and shades are in accordance with the latest scientific tests of expert lighting glassware engineers.

### SPECIFIC DESCRIPTION

When ordering goods, give specific description and always *order by catalogue numbers*; do not use the words "*same as last*." Do not tear out cuts or mutilate the catalog. State distinctly how the goods are to be shipped, whether by freight, express, mail or otherwise. If there is any preference for a certain route, it should be mentioned on the order. Also state on your order whether the fixtures are to be "*wired complete with glass*," "*wired complete without glass*," or "*knocked down, not wired and without glass*."

#### Wired Complete with Glass

means fixture as shown completely assembled, with sockets, including crowfeet and shade holders and glassware specified.

#### Wired Complete Without Glass

complete as stated above but without glassware.

#### Knocked Down

Bare (knocked down) fixtures do not include sockets, joints, wire or glassware. Socket covers, however, are included when shown.

#### Candle Fixtures

Candles and candle stems are included in knocked down, and wired complete prices, Bulbs not included unless specified.

**DIMENSIONS GIVEN** are found as follows: Length takes in the distance between top of fixture and lowest point of glassware shown. If no glass is shown, to end of lamp. Spread is measured from nozzle to nozzle of fixture.

#### Standard Finishes

Brushed brass and black is the finish specified in this catalog as standard. All fixtures can be supplied in the following finishes at the following additional cost.

Silver .....	20% extra
Brown tone, statuary bronze, oxidized copper, nickel, black or verde antique .....	10% extra

*No extra charge for brushed brass or spray gold.*
